## BUYERS CONSOLIDATION

When sourcing internationally, a company often purchases materials from more than one vendor in an area. Through our extensive global network, Alpatech Global Logistics Inc. can consolidate multiple shipments from various sources for one or a group of customers. Depending on the terms of sale, the supplier can either deliver directly to our warehouse, or call us to arrange pick-up of the goods from their premises.

Alpatech can build greater volumes that result in reduced carrier rates, including:

- Less-than-Container Load Shipment (LCL)
- Full-Container Load Shipment (FCL)
- Personalized Consolidated Containers (PCC)

## WAREHOUSING

At Alpatech Global Logistics Inc, it is our job to completely understand your business and logistics needs and cater to them. This helps us in providing you with service solutions that will help grow your business. Our extensive network of dedicated and shared warehousing and distribution operations, enables you to fulfil your commitments and deliver your products safely. With modern packaging and warehousing techniques and an advanced distribution system, we help you automate processes, so that you deliver to your customers in perfect time, every time.

We are also pleased to make available to our customers, a storage and distribution service. Many small businesses have limited storage and distribution facilities. Once their cargo is cleared, shipments can be stored in our warehouse for distribution at a later date.
